

Daikin Australia

has achieved a **5 star NABERS Energy** whole building rating for

**Daikin HQ, 62-66 Governor Macquarie Drive,
Chipping Norton, NSW 2170**

Rating effective until

September 2010

This Building has:

481 MJ/m² p.a. energy consumption
132 kgCO₂/m² p.a. normalised greenhouse emissions
250,866 kgCO₂ p.a. actual greenhouse emissions

This Building takes:

0% Green Power

This Performance Rating is based on 12 months operational energy use in the Whole Building. More stars indicate better energy performance and lower emissions of greenhouse gases. Accredited GreenPower is renewable energy purchased by the building, which has zero greenhouse emissions. NABERS is an initiative of the Commonwealth, New South Wales, Northern Territory, Tasmania, Victoria and Western Australia Governments. It is managed by the Department of Environment and Climate Change NSW Government.
